Mirror Images: Seeing Yourself in Other People

By David Adam

SPCK Publishing. Paperback. Book Condition: new. BRAND NEW, Mirror Images: Seeing Yourself in Other People, David Adam, In "Mirror Images", David Adam reflects on human encounters - on how we meet others in their otherness and through them the great 'Other' who is God. Characters in the book include the bird-watcher who has a greater sense of wonder and awe than many who call themselves Christian; the 'Snow White' woman who is fading away for lack of love; the man who needs to drink and cannot live easily without doing so, and the fan who is almost possessed by the team he supports. Each chapter ends with a look at a biblical character (Abraham, Jacob, David and Isaiah are among those featured), who has something to teach us about ourselves and our inner make-up. We will then be able to reflect further on our own way of living and how other people may see us.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
