Among which are, A view of the Action of the Federal Government, by Wm. Jay; Rights of the Free States Subverted, by Joshua Giddings; and The Slave Power, by John G. Palfrey. The editions of these, however, are quite exhausted; and for many reasons it is of great importance, that the facts contained in them should be condensed into a single volume. New developments of the workings of Slavery through its grand agent, the government, are every day occurrences; and as the most remarkable of these are embodied in the commencement and progress of the war upon Mexico, I have collected from various sources some of the most prominent facts in the slave-holding relations of the government, including enough of the history of the annexation of Texas, and the Mexican War, to exhibit in a clear light, that the sole object of the nation, in the acquisition of the one, and the prosecution of the other, is the extension and perpetuation of human bondage. In the preparation of this work, I have been materially aided by the above mentioned publications, for which I have taken great pleasure in giving credit. The facts contained in this book, and the positions which they are summoned to establish, are believed to be incontrovertible. They are based upon official documents which are conclusive on the points to which they refer....
