

Living in the Shade of Islam

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

The Light Inc. Paperback. Book Condition: new. BRAND NEW, Living in the Shade of Islam, Ali Unal, "The How to Live as a Muslim Series" is an essential guide for anyone who seeks to acquire an accurate knowledge of Islam, as it elucidates all the facets of Islam with precise brevity in three volumes: "An Introduction to Islamic Faith and Thought", "Living in the Shade of Islam", and "Living the Ethics and Morality of Islam", respectively. The first volume of the series delves into the heart of the matter, presenting clearly the fundamentals and different aspects of Islamic faith. It makes an effort to peel away the layers of what we think we know about Islam to reveal what Islam says about itself, and to explain the pillars of the Islamic faith. It discusses Islam's worldview, how we fit into it, and what God expects of us. It explains why Prophets were sent to guide us to the truth, why the Qur'an is the best guide for this journey, and how and why God equipped us to make this journey. Also examined in detail are the Resurrection and the Afterlife, Divine Destiny, eschatology, death and the spirit after death, and the invisible realm of existence.
