

Gardening in Town and Suburb

By Harry Higgott Thomas

General Books LLC. Paperback. Book Condition: New. This item is printed on demand. Paperback. 50 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1907. Excerpt: . . . CHAPTER V. EOSSES. How inexhaustible is the subject of Eoses! How much has been written, is written, and still remains to be written about the Eose! My excuse for devoting a chapter to the rose is that no gardening book could be considered complete without some reference to it, and secondly, that it is a good plant for the town and suburban garden. Here it loses perhaps a little fragrance, or some of its rich and delicate colouring, as the case may be, but what of that! The home-grown blooms are as precious to the city man as the sweetest rose that ever blossomed in a country garden. What they actually lack in colour and fragrance they more than gain by their mere presence amid bricks and mortar. The suburban gardener might do worse than make his tiny garden solely one of roses: he...

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Lorena Streich**

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.
