AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. M. Solaiman Ali s multidisciplinary background, teaching experience in various countries, and sustained life-long interest in education have enhanced his understanding of education and proved helpful in compiling the terms. The present dictionary is a product of his life-long search for terms/concepts in education. The book is, thus, evidence of his own growth and development in pedagogy and learning. Dr. Ali was always eager to formally study education and enrolled (full-time) in a Lakehead University in Ontario, Canada, in 1980, and earned an MEd in Curriculum Instruction and an MA in English Literature (with emphasis on Shakespeare and Elizabethan literature). His journey to understand education and educational concepts and terms did not end with his degrees (MEd and MA) from Lakehead University. In 1985, he enrolled in a Ph.D. program in Language Education at the School of Education, Indiana University, Bloomington, and graduated in 1991. Since October, 1991, he has been teaching English as a Foreign Language at King Abdulaziz University, Jeddah, Saudi Arabia. While in Saudi Arabia, he embarked on a personal project -- to collect the definitions of educational terms and concepts he learned over the years and also to find those related educational terms he did not know but are important for an educator to know, and to compile them into a book with consideration for publishing. Fortunately, his teaching job allowed me time to do that. This dictionary reflects the author s own growth and development as a teacher and it answers questions that always persisted in his professional mind. During his university years (both UG and grad studies), and as a practicing teacher, he always wondered what terms such as the following...
