[...]of their travels and adventures have the most profound interest. The account of the expedition of Portola has never been properly presented. Many writers have touched on it, and H. H. Bancroft, in his History of California, gives a brief digest of Crespi s diary. Most writers on California history have drawn on Palou s Vida del V. P. F. Junipero Serra and Noticias de la Nueva California, and without looking further, have accepted the ecclesiastical narrative. We have endeavored in this sketch to give, in a clear and concise form, the conditions which preceded and led up to the occupation of California. The importance of California in relation to the control of the Pacific was early recognized by the great European powers, some of whom had but small respect for the Bull of Pope Alexander VI dividing the New World between Spain and Portugal. England, France, and Russia sent repeated expeditions into the Pacific. In 1646 the British Admiralty sent two ships to look in Hudson s Bay for a northwest passage to the South Sea,...
