Finns Way Books, United States, 2014. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Listener abounds with Native stories, Algonquin legend, Indian characters, and heartrending strife set against the Northern Minnesota snowscape. Native mojo and a windigo vision stir up a storm in this adventure. The struggle between domestic commitment and deceit plays out through Tatty Langille, the Mi kmaq storyteller. His path to save his marriage is anything but typical-events explode in surreal settings, through winter storms, and during tavern brawls in rural Minnesota, weaving Native culture with odd Scandinavian characters. Tatty believes his Mary goes north to midwife a cousin s twins, but her sudden renewed contact with those far off stinks with suspicion. When family secrets, Ojibwe myth, and murder fuel surprises and twists in Tatty s search, he is left only with questions. Is Mary the wife he believed her to be? Had her wild rages pointed to a hidden past? Has Tatty lived a lie? Should he run? Can he out-distance his denial and his own buried past? After uncovering Mary s identity, what will he do? Author s bio: Tim Jollymore grew up among swamps, forests, and Indian reservations of northern Minnesota, the setting of his first novel. He worked as a tree planter, pulp peeler, local historian, traveling salesman, architectural designer, a contractor, and teacher. Jollymore writes and lives near his family in Northern California, returning to Minnesota in summer. He earned a master s degree in literature from the University of Minnesota.
