Reviews

This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)

PRODIGAL (PAPERBACK)

Pinyon Publishing, United States, 2012. Paperback. Book Condition: New. New.. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****. We have lost our ability to name, Francine Marie Tolf writes: We say antelope, owl, / as if these words had power. / As if the names of animals hadn t long fled / back into animals. Thus, Tolf lays out the major themes of her second collection of poems, *Produgal*: nature, animals, and language-plus a fourth: discoveries that occur when one of these intricate living strands intersects with another. Tolf doesn t shy from the savagery humans inflict on earth and other animals, but instead encourages us to reflect and understand if we can. In *This Rain* and *A Good Thing* are brief but chilling examples. Yet this collection of finely tuned poems balances sorrow and outrage with deep joy and delight. Multilayered and intimate, *Produgal* offers hope, derived not from cheaply won sentiment, but from an intensely personal conviction welling from an imperfect and compassionate heart: At its center, / the circle inverts: / the food chain collapses, / the lion eats straw. / Yet tears are not reversed, / but are wiped away. / So necessary to me, that God / who lets tears fall. / Who touches a quail s grief / with his own hand.
