Hyperion, United States, 2016. Hardback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Joy wants nothing more than to live and Hunt in Apex City without a target on her back. But a dangerous new mission assigned by her uncle, the city's Prefect, may make that impossible. In addition to her new duties as one of the Elite, Joy is covertly running patrols in the abandoned tunnels and storm sewers under Apex Central. With her large pack of magical hounds, she can fight the monsters breaking through the barriers with the strength of three hunters. Her new assignment takes a dark turn when she finds a body in the sewers: a Psimon with no apparent injury or cause of death. Reporting the incident makes Joy the uncomfortable object of PsiCorp's scrutiny--the organization appears more interested in keeping her quiet than investigating. With her old enemy Ace still active in Hunts and the appearance of a Folk Mage who seems to have a particular interest in her, Joy realizes that the Apex conspiracy she uncovered before her Elite trials is anything but gone. As the body count rises, she has no choice but to seek answers. Joy dives into the mysterious bowels of the city, uncovering secrets with far-reaching consequences for PsiCorp. and all of Apex City.
