False Spring

By Sharon Morris

Paperback. Book Condition: New. Not Signed; The poems in Sharon Morris' first collection are both meditations on mortality and nature, and sharp edged celebrations of life - in turn tender, incantatory, dramatic, quotidian and elegiac. The three sections describe three different places, metaphorically and geographically: in False Spring the poet takes us out into the open spaces, the wildernesses at the edge of the city of San Francisco, touching on the myth of Persephone. This mythic thread is carried on through 'Rome', where the city's overlaid histories parallel the tension between what is revealed and what is hidden, while the final section 'Salt of Almonds', through the image of the desert of Spain, speaks of what will persist and endure. book.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
