Let the hunt begin .When Simon Burns is fired from his job without warning, he takes on the role of stay-at-home dad for his three-year-old son. But his reluctance pushes his already strained marriage to the limit. In the nestled playgrounds of the Upper West Side, Simon harbors a simmering rage at his boss betrayal. Things take a turn when he meets a tight-knit trio of dads at the playground. They are different from other men Simon has met, stronger and more confident, more at ease with the darker side of life - and soon Simon is lured into their mix. But after a guys night out gets frighteningly out of hand, Simon feels himself sliding into a new nightmarish reality. As he experiences disturbing changes in his body and his perceptions, he starts to suspect that when the guys welcomed him to their pack , they were talking about much more than male bonding.
