Bloomsbury Publishing PLC, United Kingdom, 2014. Hardback. Book Condition: New. 240 x 160 mm. Language: English . Brand New Book. The international arms trade is about to become a national problem. In 2012, in a Middle Eastern souk, CIA agent Miles Brookhaven was attacked. At the time he was infiltrating rebel groups in the area. No one was certain if his cover had been blown or if the act was just an arbitrary attack on Westerners. Months later, the incident remains a mystery. Now, Liz Carlyle and her Counter Terrorism unit in MI5 have been charged with the task of watching the international under-the-counter arms trade. With the Arabic region in such a volatile state, the British Intelligence forces have become increasingly concerned that extremist Al-Qaeda jihadis are building their power base ready to launch another attack. As the pressure mounts, Liz and her team must intercept illegal weapons before they get into the wrong hands. When MI5 learns that the source of the arms deals is located in Western Europe, Liz finds herself on a manhunt that leads her to Paris, to Berlin and into her own long-forgotten past. A past buried so deep that she thought it would never resurface.
