We have never lost sight of it since it was a bit of bread or meat in the mouth until it is in a lymphatic trunk. We have not missed one of its stages, though I have only been able to tell you very little about each of them. Its long journey and the changes it has undergone has now all but made it ready to join the blood and become part of it; but before it takes the last stage we will once more leave it, this time with plenty of room in the lymphatic trunk, while we go and try to learn something about The Lymph that I have just told you joins it in the lymphatic trunk. Before we start, though, I must tell you that you have two more sorts of lymph to learn...
