Brand New Book ***** Print on Demand *****.Excerpt from Mineralogy of New-York: Comprising Detailed Descriptions of the Minerals Hitherto Found in the State of New-York, and Notices of Their Uses in the Arts and Agriculture In the arrangement of the Geological Survey of New-York, the part assigned me by the late Governor, the Hon. William L. Marcy, was the examination, scientific description and chemical analysis of its mineral products, or what was understood to be included under the term Mineralogy in its broadest acceptance. This commission was continued by Governor Seward; and the work now presented to the public, is the final result of my investigations. Desirous of following out to the fullest extent the views which were entertained in regard to the department entrusted to me, the plan which I pursued was, to visit the more interesting mineral districts, for the purpose of obtaining illustrative specimens; to determine with as much accuracy as was necessary, the chemical composition of the most useful and interesting minerals and mineral waters; and finally to present detailed descriptions of all the minerals hitherto found in the State...
